Mockups

En pro de facilitar la visualización de los mockups y poder expandirse de una manera más interactiva sobre cada uno se grabó el siguiente video que explica de manera superficial las diferentes vistas que va a tener el aplicativo web luego de reducir su alcance:

Enlace al [Video Explicativo de los Mockups corregidos](#)

Nótese que sólo se ajustaron los mockups de las diferentes vistas del aplicativo web para su plataforma principal (la web), sus respectivas versiones para tablets, móviles u otras resoluciones se ajustarán durante el desarrollo, manteniendo en lo máximo posible la estructura base que se va a presentar a continuación:

El enlace de los mockups corregidos hechos en Figma es el siguiente: [Mockups Figma](#)
